**UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
SAN FRANCISCO DIVISION**

1 The parties to this action—plaintiff ADC Technology, Inc. (“ADC”) and defendants Palm,
 2 Inc. and Hewlett-Packard Co. (collectively, “Palm”—respectfully submit this stipulation, requesting
 3 that the Court continue the Case Management Conference previously scheduled in this action for
 4 June 26, 2014 for one week, to July 3, 2014, or an alternative future date that is convenient to the
 5 Court.

6 Good cause exists for this requested continuance of the Case Management Conference, as set
 7 forth below:

- 8 ▪ This is a patent case in which the plaintiff, ADC, asserts three patents—namely, U.S.
 9 Patent Nos. 6,985,136 (the “‘136 patent”), 7,057,605 (the “‘605 patent”) and 7,567,361
 10 (the “‘361 patent”) (collectively, the “patents-in-suit”).
- 11 ▪ In mid-2011, pursuant to a third-party request, the PTO ordered reexamination of each of
 12 the three patents-in-suit.
- 13 ▪ In July 2011, defendant Palm filed a stipulated motion to stay this case pending final
 14 determination of the reexamination of the patents-in-suit by the PTO. (*See* Docket
 15 No. 68.) Plaintiff ADC stipulated to this stay motion. (*Id.*)
- 16 ▪ On July 25, 2011, the Court granted the stipulated stay motion and ordered that “[t]his
 17 action is stayed pending final determination of the reexamination of the patents-in-suit”
 18 by the PTO. (*See* Docket No. 70.) In its order, the Court instructed the parties to advise
 19 the Court when the PTO has issued a final determination on reexamination. (*Id.*) In
 20 addition, the Court set a case management conference for a date in May 2012. (*Id.*)
- 21 ▪ In 2012 and 2013, and in March and May 2014, defendant Palm and plaintiff ADC filed
 22 stipulations requesting continuance of the case management conference, noting that there
 23 has not yet been a final determination of the reexamination of all of the patents-in-suit
 24 and indicating agreement that a continued stay in this action was appropriate. (*See*
 25 Docket Nos. 72, 74, 77, 82, 87, 89.) The Court granted these requests, and the case
 26 management conference is currently set for May 29, 2014. (*See* Docket Nos. 73, 75, 78,
 27 81, 83, 84, 88, 90.)

- ADC represents that the PTO has dismissed all of reexamination proceedings on ADC's asserted patents and that there are no reexamination proceedings pending with respect to ADC's asserted patents.
- Recently, ADC and Palm have engaged in more serious discussions in order to try and resolve the dispute. The parties believe they need additional time to fully exhaust reasonable efforts to settle the case.
- The parties presently agree that the Case Management Conference should be continued to July 3, 2014, or an alternative future date that is convenient to the Court to allow the parties some brief additional time to try and settle the case without burdening the Court.

In view of the foregoing, the parties respectfully request that the Case Management Conference previously set for June 26, 2014, be continued to July 3, 2014, or an alternative future date that is convenient to the Court.

Dated: June 19, 2014
